

“Friends of Wilbraham Park” sponsored by WCM Shade Tree Commission

Is Helping To Build a Path For Our Future

Wilbraham Park, located between Park and Myrtle Streets in West Cape May, NJ is one of our most beloved and treasured Parks. The municipality of West Cape May, as well as two non-profit/volunteer groups, the West Cape May Shade Tree Commission and the West Cape May Environmental Commission, are charged with maintaining the Park. As a result of constant use, weather and other elements the flagpole circle is in need of repair and upgrade. Friends of Wilbraham Park volunteers are asking for your help. We are raising funds to replace the broken concrete pathway around the flagpole and create a “new” brick stage area for entertainment for festivals and events. The “Buy a Brick” program is promoting personalized bricks to be laid in the stage area or walkway around the flagpole. These specially engraved bricks can commemorate special occasions, honor or remember a loved one, give as a Christmas gift, or celebrate your family or business.
