

West Cape May Tomato Festival

September 3, 2022

January 2022

Greetings Vendors!

We are proud to announce, that the West Cape May Tomato Festival is back by popular demand!

The festival will take place in the **Borough's Backyard Park**, located at 732 Broadway in West Cape May (behind the Fire House) on **Saturday, September 3, 2022**. We will celebrate the State of New Jersey's well-known fruit, as well as the end of the summer season, with this tomato themed festival! Festivities are planned to begin at 9:00am and continue until 4:00pm. Proceeds from this event benefit the West Cape May Shade Tree Commission in their endeavor to protect and improve the tree canopy of West Cape May. Come on out and be a part of the spirit of community!

In an effort to amp up the **Tomato** theme, we are **requiring** ALL vendors to include something TOMATO related at their booth. Have fun and use your imagination! Include Tomato decorations or merchandise, or prepare a special tomato dish! Let us know how you will be incorporating the theme in your application. Applications for the West Cape May Tomato Festival will be reviewed for acceptance and applicants who are not accepted will be notified and refunded via regular mail. Please note, this is **NOT a non-compete festival**. That being said, in an effort to promote variety and avoid multiple vendors selling the same products, we will be limiting the number of applications accepted per product type. Therefore, we require all vendors to include photo examples of the products they sell. The Festival Committee reserves the right to limit Vendors with duplication of inventory in order to retain diversity of product sales at the Festival and to request vendors remove inventory that has not been pre-approved.
