**West Cape May Certified by Sustainable Jersey at the Bronze-Level**

**West Cape May, NJ** – Sustainable Jersey representatives at the November New Jersey State League of Municipalities Conference announced West Cape May has met the rigorous requirements to achieve Sustainable Jersey Bronze Certification. West Cape May is one of 81 municipalities attaining certification in 2022.

To become Sustainable Jersey certified, West Cape May submitted documentation to show completion of the required sustainability actions plus demonstrating ongoing Green Team activities. Included in the achieved 190 action points, West Cape May accomplished 3 required “priority” actions by developing an Environmental Resource Inventory, creating a Land Use Pledge and offering a Prescription Drug Disposal. Other sustainable action awards came from entities like the Environmental Commission, Shade Tree Commission, Public Works and various administrative departments.

“The Sustainable Jersey certified municipalities demonstrate sustainability excellence. The annual awards event is a celebration of their accomplishments,” said Randall Solomon, director of Sustainable Jersey. Sustainable Jersey provides tools, training and financial incentives to support communities as they pursue sustainability programs.
